

# customkote

When strength and particularly 'wet' strength is essential, CustomKote delivers. This premium coated natural kraft paperboard delivers on its reputation for durability and dependability standing the strength of time under the most stressful environments. As a result, you can expect optimal product protection that in turn assures consumers are left with a positive brand impression.

Produced with up to 15% pre-consumer waste recycled fibre, perfect for meeting corporate sustainability needs. Well known as the strongest board in the marketplace.
